Re: M2 Consulting, Inc. v. MRO Software, Inc., C. A. No. 03-12589-GAO

Dear Paul:

Please find enclosed for production to you MRO documents numbered 00001 to 01074.

I do have one "attorneys eyes only" document, and I expect that there will be some "tag-along" documents that will follow.

Very truly yours,
